Repair Service

How to call Home and Office or Commercial Repair Service

We maintain your telephone line South Central Bell provides working telephone lines so you can make and receive calls, and we are responsible for keeping these lines working. If you are having problems that are not caused by a faulty telephone set, call Repair Service.

Home customers: Toll free -

1 + 800 + 822-2000

Office or Commercial customers: Toll free - 1 + 800 + 822-8000

Telephone equipment repair

If the problem is caused by the telephone set or other type of telephone equipment, follow the instructions on the warranty or contact the place where you obtained your set. This applies to Home and Office or Commercial customers.

For customers with equipment that was leased or bought from South Central Bell through December 31, 1983, please call the following numbers for repair of that equipment:

Home accounts: Toll free -

1 + 800 + 555-8111

Office or Commercial accounts: Toll free - 1 + 800 + 526-2000

How to call Coin (Public) Repair Service

For coin telephone repair (lines, telephone sets or other problems): Toll free - 1 + 800 + 822-2000

Is the trouble with your telephone set or the local network?

Plug-in telephones are easy to check. If you have more than one plug-in telephone, unplug the one you were using when you noticed the problem. Then plug another phone into the same outlet to see if the problem still exists. If it does not, the problem is probably with the first phone. (If your telephones aren't plug-in, but you have more than one set, try using another phone to determine whether problems are in the line or equipment.) To get service, follow the instructions on the warranty or contact the supplier of the telephone set.

A maintenance of service charge may apply

If we make a Repair Service visit because of reported trouble, and if we determine that the problem is caused by the telephone equipment in your home or business and not by South Central Bell facilities, a maintenance of service charge may apply.

Types of home telephone service

The following types of telephone services are offered in the McLean County area.

Premium flat-rate service

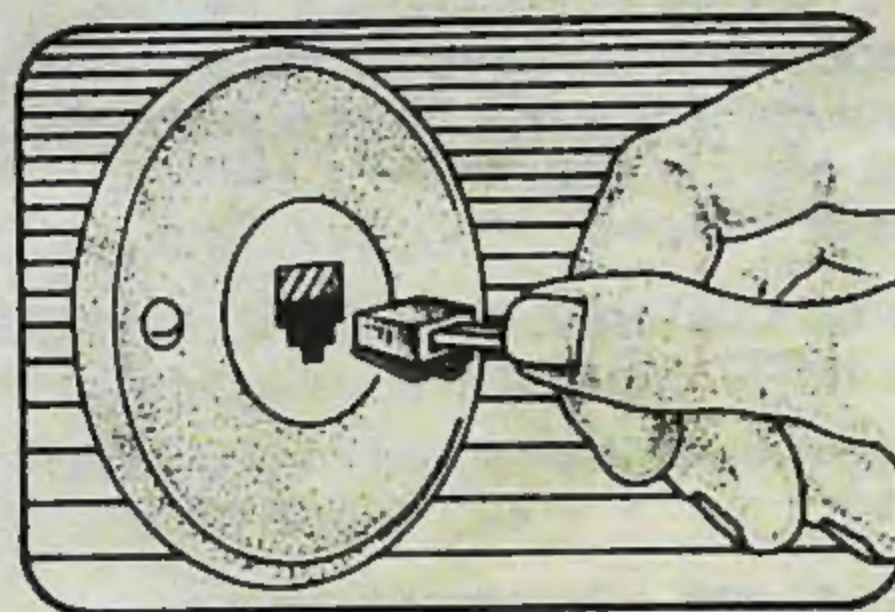

This service provides a line for your exclusive use (not shared with other parties) and unlimited usage for a fixed monthly rate.

Two-party service

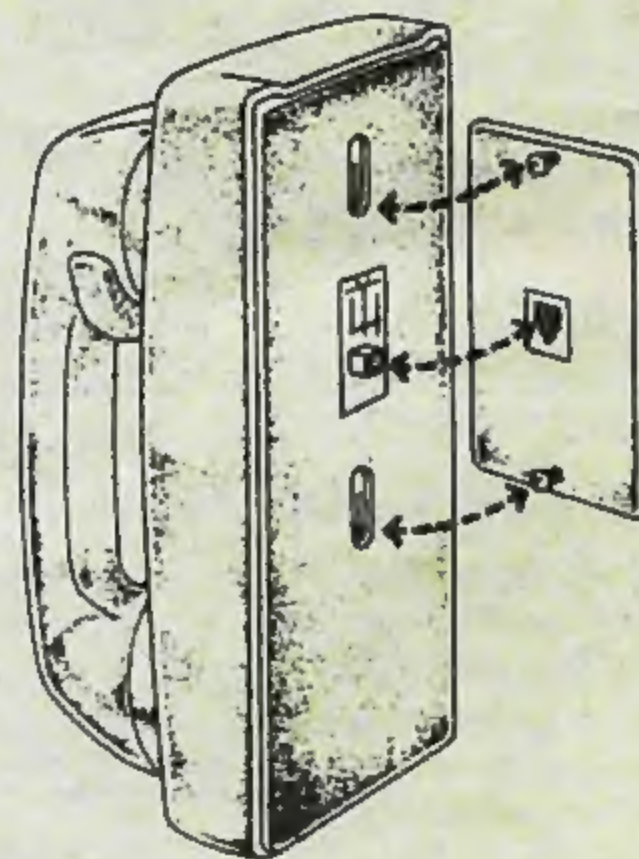

For this service, two parties share the same line. Each customer, however, does have a separate telephone number and receives a ring only for that number. Both can make and receive an unlimited number of local calls for a fixed monthly rate, but the line is available for use only when the other party isn't using it. Special conditions apply to telephone sets used with party line service. Ask your Service Representative for details.

How to plug in phones

To install your phone, match the plug at the end of the cord with the jack, and insert. To disconnect your phone, squeeze the clip on the plug and pull it out of the jack.

To connect your wall phone, match the holes in the back of the phone with the rivets on the wall mounting. Push the phone lightly against the mounting and slide it down into place. To disconnect, slide the phone up to lift it off the rivets, then pull it away from the wall.

Billing & Payment

763-2685
Walter Laben

Pay by mail

A return envelope is included with each monthly bill. Please include the payment card with your payment or note your telephone number on your check. If the return envelope is not available, please address payments to:

South Central Bell
P. O. Box 32440
Louisville, Kentucky 40232

Pay bills by bank draft plan

You can easily arrange for your monthly bill to be charged against your checking account. You will be sent a bill marked paid each month so you can post the amount in your checkbook. Call your Service Representative to arrange for this free service and save time, trouble and stamps.

Payment locations

You can pay your bill at:

Calhoun
Calhoun Drug Center
Main Street

Livermore
T & W Fashions
Hill Street

When paying this bill, please present the entire bill with the payment card.

Bill Information

Your bill from South Central Bell may include charges from other companies

Other companies that provide telephone equipment and/or long distance calling services may arrange with South Central Bell to do their billing for them. If you subscribe to one or more of these companies, their charges will appear in your monthly telephone bill.

Send your payment for the total amount to South Central Bell

For your convenience, continue to make your payments to South Central Bell in the same way you always have. Even though your bill includes charges from one or more other companies, you make one payment for the total amount to South Central Bell.

For questions about your bill, call the appropriate company

Your telephone bill includes separate sections for each of the companies whose charges appear on your bill. Both the name of the company and instructions about the number to call for billing inquiries is presented in each section.

South Central Bell should receive your payment in full on or before the Pay-by Date on your bill.

How am I billed?

Charges for your local monthly service and equipment are billed one month in advance. Charges for long distance calls and telegrams are based on actual use up to the date your bill is prepared.

manager

Your telephone company Managers

Your Manager can assist you with any problem or complaint you may have about South Central Bell service which has not been solved by Repair Service or your Service Representative. To find your Manager's telephone number, consult the list below. If you must reach your Manager after normal business hours: Toll free - 1 + 800 + 544-5000 and a Manager on duty will assist you.

Residence Managers (For home telephones)

For Manager assistance regarding requests for new line service or changes in existing service call:

Toll free - 1 + 444-5080*

and ask to speak to the Manager.

For Manager assistance regarding billing-related matters call:

Toll free - 1 + 444-5011*

and ask to speak to the Manager.

Business Managers (For office or commercial telephones)

For Manager assistance regarding requests for new line service or changes in existing service call:

Toll free - 1 + 685-9200*

and ask to speak to the Manager.

For Manager assistance regarding billing-related matters call:

Toll free - 1 + 569-4400*

and ask to speak to the Manager.

Coin Telephone Manager

For Manager assistance regarding requests for new service or changes in existing service call:

Toll free - 1 + 800 + 251-4861

and ask to speak to the Manager.

For Manager assistance regarding billing-related matters call:

Toll free - 1 + 800 + 633-4190

and ask to speak to the Manager.

*If dialing long distance from a public telephone, call the Business Office collect. Dial "0" + area code, if needed, and the telephone number.

6

Directory Assistance

How to call Directory Assistance

For local numbers, dial:

1 + 411

For in-state numbers outside your local calling area but with the same area code as yours, dial:

1 + 555-1212

For numbers with a different area code from yours, dial:

1 + area code + 555-1212

If the number you're calling is in a different area code within the state or in another state, you are charged for calls to this number.

For telephone numbers of businesses and people who have "800" numbers, dial:

1 + 800 + 555-1212

Additional directories

You may order another copy of the local directory by calling your Home, Coin or Office Service Representative shown on page 2.

Directories from other areas may be ordered by calling your Home or Office Service Representative shown on page 2.

A charge applies for directories outside your local calling area.

Errors in directory listings

If your listing is incorrect or omitted from this directory, please contact your Service Representative. We will correct our records to assure that such an error or omission does not recur.

7

Charges for Directory Assistance

Most Kentucky customers have a basic five-call allowance each month which applies to calls to local Directory Assistance (1 + 411). Local Directory Assistance calls over the allowance cost 30 cents each. There's no allowance for long distance Directory Assistance calls within the same area code (1 + 555-1212). These calls cost 30 cents each. All local and long distance Directory Assistance calls placed through the Operator ("0") carry an additional 30-cent charge. Charges do apply to requests for numbers which are not listed, non-published or which the Operator cannot find.

Charges for long distance Directory Assistance calls outside your area code will be handled by a long distance company other than South Central Bell.

Directory Assistance charges do not apply to calls from hotels, motels, and hospitals, or to calls from Coin (Public) telephones.

Customers who have a disability which prevents use of a directory may apply for exemption from these charges through their Service Representative.

Local Calling

McLean County and vicinity

8

Local Operator assistance charges

There is a 60-cent charge when you use an Operator to complete a local call that you could have dialed yourself.

Calls exempt from local Operator assistance charges:

- Emergency calls to police departments, fire departments, and medical emergency numbers.
- Calls from customers who have a disability and are unable to dial.
- Calls placed to get an Operator's assistance when a caller has a service problem in reaching a number.
- Local emergency calls from a public telephone.
- Business calls to South Central Bell.

Local Operator verification/interruption service

You can have an Operator verify the status of local numbers. A 95-cent charge applies if the line is in use, but will not apply if there is trouble on the line.

There is a \$1.40 charge if you ask the Operator to interrupt a phone call so you can get through. The charge applies even if the called party does not agree to release the line.

If an Operator verifies the line and interrupts conversation on the same request, only the interrupt charge applies.

Calls exempt from verification/interruption charges

- Emergency calls to and from emergency agencies.
- Requests in which a trouble condition actually exists.

The numbers on the calling guide represent the first three digits of telephone numbers in the McLean County local calling area.

All calls within the local calling area are **toll free**. Dial the listed number.

The local calling area includes calls between Calhoun (273), Island (486), Livermore (278) and Sacramento (736).

LONG DISTANCE CALLING

Local Access & Transport Areas (LATAs)

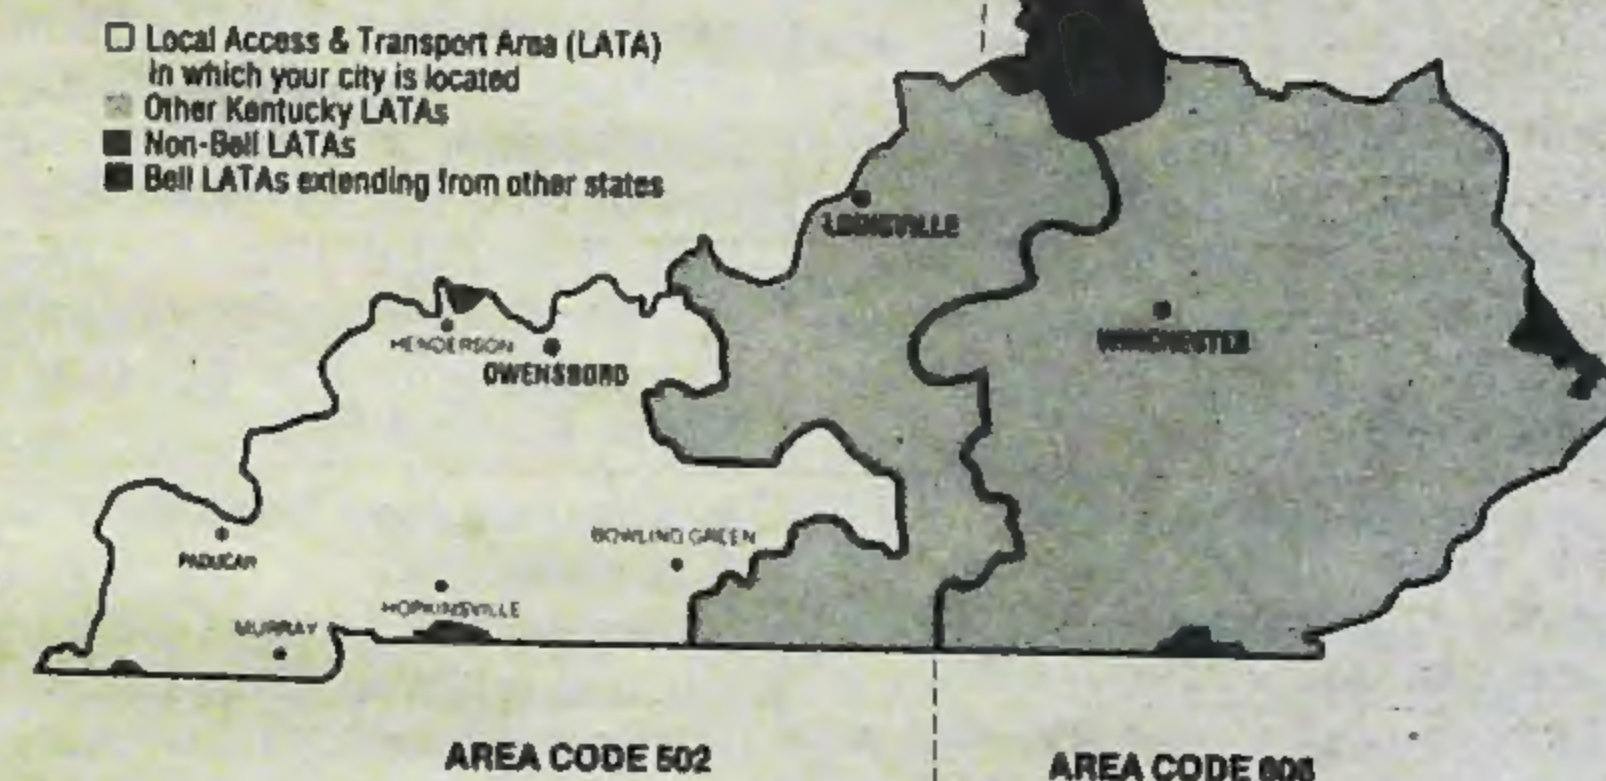

9

LATAs are new boundaries for South Central Bell customers

A LATA (Local Access and Transport Area) is a geographic area within which the local telephone company provides local and long distance services, plus access to the telephone network.

South Central Bell has three LATAs in Kentucky: Louisville, Owensboro and Winchester. McLean County is in the Owensboro LATA. (See map.)

South Central Bell provides long distance service within each of its LATAs. Other companies provide long distance service from one LATA to any other LATA. See pages 14 thru 17 for information about dialing long distance calls.

Establishing South Central Bell service at your home

Call a Service Representative and provide the following information:

1. Complete street address (apartment number if applicable, or lot number if mobile home).
2. The type of home telephone service you want.
3. Registration numbers of telephone sets or other equipment you will be using.
4. How you would like your directory listing to appear.
5. Information about previous telephone service.
6. Other credit information, including employment.

South Central Bell provides access to the telephone network.

We offer a variety of basic and optional monthly calling plans to provide you with access to the telephone network. Optional services available at additional charges are described on the next page.

Customers provide their own sets

To complete your telephone service, you will need to provide the telephone sets or other equipment for your home. If you do not already have your own telephones, a Service Representative can tell you how to get one from South Central Bell.

Telephone sets for customers with party-line service

Special conditions apply for equipment used for party-line service. Call your Service Representative for details.

Order a Calling Card at no charge

A Calling Card from South Central Bell can be the least expensive and most convenient type of Operator handled call, and the charges are itemized on your regular monthly bill. There is no charge for a Calling Card, and no monthly service charges. Ask your Service Representative for one.

All telephone sets must be registered

The Federal Communications Commission (FCC) requires that telephone equipment connected to the network be registered. A registered telephone is a set authorized by the FCC for direct connection to the network, and carries specific identification provided to manufacturers by the Commission. If you have registered equipment, notify South Central Bell. If you don't have a telephone set, your Service Representative will tell you how to get one from South Central Bell.

A deposit may be required

A deposit may be required if you have not had service with us or if you have had a poor payment record with any BellSouth company. The amount of the deposit is based on two months' local service charges, plus two months' estimated long distance charges.

We'll pre-wire a new home or addition

We can install telephone wires in a new or remodeled home before the walls are put up. For complete information call your Service Representative. See page 2. (Cont. on next page)

Establishing Service (cont.)

An advance payment may be required

When you order new service, you may be required to make an advance payment to cover installation charges and one month's local service. Advance payments will be subtracted from your first month's bill.

Optional services at additional charge

Current rates and charges are available from your Service Representative.

Touch-Tone service

(where available)
Tone-signal calling

Non-listed number

Your number is not in the directory, but is available through Directory Assistance.

Non-published number

Your number is not in the directory and is not available through Directory Assistance.

Additional listings

A separate and distinct additional listing in the telephone directory.

Custom Calling Services

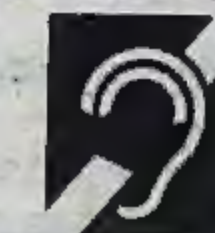

(where available)

Four Custom Calling Services -- Call Waiting, Call Forwarding, Speed Calling and Three-Way Calling -- are available in many areas.

Disconnection of service

There is no charge to disconnect service, just call your Service Representative. If you wish, charges can be stopped the day you call.

Special services for disabled people

Deaf or disabled people can call our **Telecommunications Center For Disabled Customers**. There is no charge for this call or for the consultation to help solve your specific problem. Toll free - dial "1" and then **800+544-5000**

Customers using a TDD or teletypewriter: Toll free - dial "1" and then **800+251-5325**

In addition, South Central provides Operator assistance to its customers who use telecommunications devices for the deaf (TDD/TTY). Any TDD/TTY user making Calling Card, collect, directory assistance or other Operator-assisted calls should call **1+800+855-1155**.

Information regarding leased equipment for the disabled: Call toll free - dial "1" and then **800+233-1222**
Customers using a TDD or teletypewriter: Call toll free - dial "1" and then **800+833-3232**

For new equipment, contact the supplier of your choice.

Reduction in charges for the use of TDD/TTY equipment

Persons whose hearing or speech impairment requires their use of a teletypewriter or telecommunications device for the deaf for telephone communications are eligible for reduced long distance rates for certain calls. Contact the **Telecommunications Center For Disabled Customers** for application information.

*Used with permission of the National Association of the Deaf.

Consumer Rights and Responsibilities

Consumer information

How to correct problems

If you are not satisfied with your telephone line service, we want to do something about it. If you have a question about your bill, or a complaint about South Central Bell service, call your Service Representative.

If you are not satisfied with the action taken, ask for the Supervisor. If you still are not satisfied, ask for the Manager. Or, you may call the Manager directly. Check the Contents on page 1 for Manager listings.

How to get credit for loss of service

You are entitled to a partial refund of your line service charge if your line is out of service 24 hours or more and you have notified the telephone company's Repair Service that you are unable to make or receive calls. When you receive your bill, call your Service Representative and report how long your line was out of service. You will receive a credit on your next monthly bill for the amount of time your service was out of order.

Third-party notice for Residence Customers

If your telephone bill has not been paid and we are unable to contact you during times of illness or a lengthy time away from home, your telephone service could be disconnected. You can name a third person to be notified before your service is cut off. This person would not be responsible for paying the bill, but could advise us of the situation and prevent service interruption. For more information, call your Service Representative.

Yield a party line in an emergency

State law requires you to yield a party line immediately when told the line is needed for an emergency. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency.

Our employees carry company identification cards

For your safety, in larger communities every South Central Bell employee is required to carry an identification card showing his or her name and photograph. If you have any doubt whether a person is from the telephone company, please ask to see his or her ID card.

How to handle unwanted sales calls

Just say "No, thank you," and hang up.

Fraudulent callers are subject to prosecution

It is illegal for another person to charge long distance calls to your number or Calling Card without your permission. Persons placing such calls are subject to prosecution and if convicted are subject to imprisonment and/or a fine.

Recorded calls requiring a beep tone

If your conversation is being recorded, you may hear a beep tone every 15 seconds. Other than for radio and television programming, use of a recorder without a beep-tone warning device is not permitted in South Central Bell's service area.

Unlawful wiretapping is subject to prosecution

It is a crime under federal and state law for any person, including a telephone subscriber, to wiretap or otherwise intercept a telephone call, unless that person has first obtained the consent of one of the parties actually participating in the call. Properly authorized law enforcement officers can engage in

interceptions without the consent of either party when proceeding under court orders issued pursuant to applicable provisions of federal law.

How to handle obscene or harassing calls

It is a crime under both state and federal laws for anyone to make obscene or harassing phone calls. Persons convicted are subject to imprisonment and/or a fine.

If you receive obscene, harassing or threatening calls, follow these suggestions:

1. **Hang up** at the first obscene word or if the caller doesn't say anything the second time you say hello.
2. **Give no information** such as your name and address until the caller has been identified.
3. **Advise your children** to give no information to strangers. If you're not home, they should say "Mother/Father can't come to the phone right now."
4. **If calls persist** call your telephone company representative, toll free, at 1 + 569-4232 or your Police Department.

For your safety

- Don't use your telephone near water.
- Avoid using your telephone during an electrical storm.
- Don't use your telephone near a suspected gas leak.

LONG DISTANCE CALLING

Dialing instructions for calls within Local Access & Transport Areas (LATAs)

Dialing direct costs less

By dialing your own long distance calls, you will pay the lowest rate and pay for only the minutes you talk (one-minute minimum).

To place a direct-dialed call:

1 + the area code

(If different from the one you are calling from)

+ the telephone number

"800" Service telephone numbers

Long distance calls can be made without charge when calling "800" numbers.

To call an "800" number, dial:

1 (or long distance service access code) + 800 + the telephone number

Calling Cards calls

You can save money on some calls by using a Calling Card. To get a card, call your Service Representative.

You may have a restricted Calling Card

Some customers may want a Calling Card that can only be used to call a particular telephone number. A restricted Calling Card lets you take advantage of the lower Calling Card rates (less expensive than rates for collect calls), but gives you some control over the calls. For more information, call your Service Representative.

1. To place a Calling Card call from any telephone:

0 + the area code

(If different from the one you are calling from)

+ the telephone number

When the Operator comes on the line say you're placing a Calling Card call and give your card number.

2. To place a Calling Card call from Touch-Tone telephones only:

0 + the area code

(If different from the one you are calling from)

+ the telephone number

(wait for tone)

+ the Calling Card number

Use your Calling Card instead of calling collect

When you are traveling you can save time and money by using your South Central Bell Calling Card to call your home or office. Calling Card rates are less expensive than rates for collect calls.

Operator-assisted calls

Long distance calls requiring an Operator are more expensive. Calls placed from Public telephones and many hotels, as well as the following types of calls, are all Operator-assisted calls.

To place an Operator-assisted call:

0 + the area code

(If different from the one you are calling from)

+ the telephone number

Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the call and when the Operator comes on the line, say you're placing a collect call and give your name.

Third-number calls

You may have long distance charges billed to an authorized third telephone number. Dial the call and when the Operator comes on the line, say you'd like to charge your call to a third number and give the Operator that number including the area code. On calls made from Public telephones, someone at the "third" number must agree to accept the charge before the Operator can complete the call.

Time and charges

When placing a long distance call, you may ask the Operator to tell you the length of time you talked and how much it cost. Dial the call and when the Operator comes on the line, say that you will want time and charges when the call is completed.

Person-to-person calls

Call person-to-person when you wish to reach a particular person or extension number. Dial the call and when the Operator comes on the line, say you are making a person-to-person call and give the name of the person you want to talk to. The Operator will leave the line when the person you're calling has answered the telephone.

Other types of telephone calls

Mobile and marine calls

You can make local and long distance calls to automobiles, trucks, aircraft, boats and ships that have phones. Calls can be completed by dialing direct or calling the Operator. For information on the other Communications Common Carriers consult the South Central Bell Yellow Pages under "Paging & Signaling" and "Radio-telephone Communications" headings.

Conference calls

You can talk with several people in different places at the same time by dialing the Operator and saying you wish to make a conference call. Give the Operator the names and telephone numbers of the people you want to talk to. You may want to arrange a calling time in advance.

**LONG
DISTANCE
CALLING**

Rates within your LATA

Lowest rates — direct-dial one-minute rates

Direct-dialed calls are those completed from a residence or business phone without Operator assistance.

Direct-dial rates also apply on calls placed with an Operator from a residence or business phone where direct-dial facilities are not available.

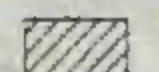

On direct-dialed calls, **you pay only for the minutes you talk.** The initial rate period is **one minute** anytime day or night.

Additional savings apply evenings, nights and weekends

Service charges

Dial-direct Calling Card Operator-assisted
rate plus ▶

	Station-to- station	Person-to- person
	\$1.00	\$1.50 \$3.00

Calling Card and Operator-assisted Service Charges

Operator-assisted calls are those requiring the assistance of an Operator to complete the call. These include person-to-person, collect, Calling Card, billed-to-a-third-number, hotel guest, time-and-charge calls, and calls made from a Public telephone.

The initial period for all Operator-assisted calls is **one minute**, anytime day or night. To determine the cost of a call, figure the direct dial rate, then add the appropriate service charge.

Holiday rates

New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day. On these legal holidays, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (nights & weekends).

Rate periods

If you start your call during one rate period and hang up in another rate period, you will be billed at the rates applicable for each period. Rates and rate periods are subject to change without notice.

**LONG
DISTANCE
CALLING**

Dialing instructions for calls to other LATAs and area codes

Long distance service access codes

Long distance calls that cross LATA boundaries are handled by companies other than South Central Bell. For billing purposes, the network equipment recognizes the access code of the long distance company you're using, based on the digits you dial at the beginning of each call.

Area codes, prefix codes, and local numbers are the same for all companies providing long distance calling service.

Dialing direct

Long distance rates are lowest when you dial the call yourself and speak with anyone who answers.

To place a direct-dialed call:
within the 502 area, dial
1 or long distance service access code

**+ the telephone
number**

outside the 502 area, dial
1 or long distance service access code

**+ the area code
+ the telephone
number**

"800" Service telephone numbers

Long distance calls can be made without charge when calling those businesses and people who have "800" numbers.

To call an "800" number, dial:
1 (or long distance service access code) **+ 800 + the telephone number**

Calling Card calls

1. To place a Calling Card call from any telephone:
within the 502 area, dial
0 + the telephone number

outside the 502 area, dial
**0 + the area code
+ the telephone number**

When the Operator comes on the line say you're placing a Calling Card call and give your card number.

2. To place a Calling Card call from Touch-Tone telephones only:

within the 502 area, dial
0 + the telephone number

(wait for tone)
+ the Calling Card number

outside the 502 area, dial
**0 + the area code
+ the telephone number**

(wait for tone)
+ the Calling Card number

Operator-assisted calls

To place collect, billed-to-a-third-number, time-and-charges, and person-to-person calls:

within the 502 area, dial
0 + the telephone number

outside the 502 area, dial
**0 + the area code
+ the telephone number**

AREA
CODESArea Codes
and Time ZonesINTERNATIONAL
CALLINGHow to dial most
international calls

International calling

International calls can be dialed direct from many telephone exchanges. For information on the availability in your area and the countries you can dial direct, dial "0" and ask the Operator.

Dialing instructions

Station-to-station calls

To dial international calls and get the lowest rate, dial in sequence:

1. The International Access Code—011;
2. The Country Code;
3. The City Code;
4. The local telephone number;
5. The "#■" button—where the telephone is equipped with Touch-Tone dialing.

For example:

To place a station-to-station call to Frankfurt, Germany, dial:

International Access Code	Country Code	City Code
011	49	611
+	Local telephone number	+ # button if Touch-Tone dialing

Operator-assisted calls

To dial person-to-person, collect, Calling Card and billed-to-a-third-number international calls, follow the instructions given above but use "01" for the International Access Code. After the call is dialed, the Operator will come on the line to ask for information.

Additional assistance
or information

Dial "0" (Operator) if you need:

1. To obtain a telephone number you don't know;
2. To obtain City Codes;
3. Help in completing a call;
4. Rates and discount periods.

To place a call to the Bahamas,
Bermuda, Canada, Puerto Rico
and the Virgin Islands

Calls to these points can be dialed in the same manner as long distance calls within the United States.

To call Mexico

Most locations in Mexico can be reached by using the international dialing (011+) instructions.

If you cannot use international dialing from your telephone, some Mexican cities still can be dialed directly using special access codes with City Codes.

Mexico City: dial 90 + 5 (the City Code) + local number

Northwest Mexico: dial 70 + City Code (2 or 3 digits beginning with "6") + local number.

Instructions for Custom Calling Services

22

Call your Service Representative to see if Custom Calling Services are available in your area. There will be an additional monthly charge for each.

Call Waiting

Lets you know someone else is calling when you're using the telephone. You hear a beep tone. If you ignore the first beep, there will be a second one in ten seconds. The party calling you hears only the normal ringing.

How to use it:

1. If you hear a beep and want to end the first call, hang up. Your telephone will immediately ring with the second call.
2. To answer the second call, press and release the receiver button quickly. The first call will be put on "hold" and you will be connected to the second call.
3. To return to the first call, press and release the receiver button again. You can switch back and forth between the two calls as often as you want.

Call Forwarding

Lets you transfer your incoming calls to any telephone you can dial-direct without Operator assistance. (In certain areas, calls can only be forwarded within that exchange. Call your Service Representative to determine if your exchange is in this group.)

How to use it:

1. To forward calls from Rotary telephones dial 72 and wait approximately 5 seconds for dial tone. From Touch-Tone telephones, dial 72, then the # symbol; listen for dial tone.
2. Dial the number that will be accepting your calls. You will hear two short tones, then normal ringing. Call Forwarding is in effect when the party answers. At that time, you can tell them they will be receiving your calls.

3. If the line is busy, or there is no answer, hang up and repeat the first two steps. No answer is required to establish Call Forwarding on the second attempt.

4. To cancel Call Forwarding from rotary telephones, dial 73 and wait about 5 seconds for two beeps and dial tone. From Touch-Tone telephones, dial 73, then the # symbol. You will hear two beeps, then dial tone.

Notes:

While your calls are being forwarded, your telephone will ring briefly each time your number is dialed. You cannot answer the calls, but the ring is a reminder that Call Forwarding is still in effect.

If you forward your calls outside of your local calling area, you will be charged for any calls forwarded from your number to the distant number. For example, if you forward your calls to a number in California, the person calling you is charged for a call only to your number, but you are charged the rate from your number to the number in California.

While calls are being forwarded, you can still make outgoing calls.

Three-Way Calling

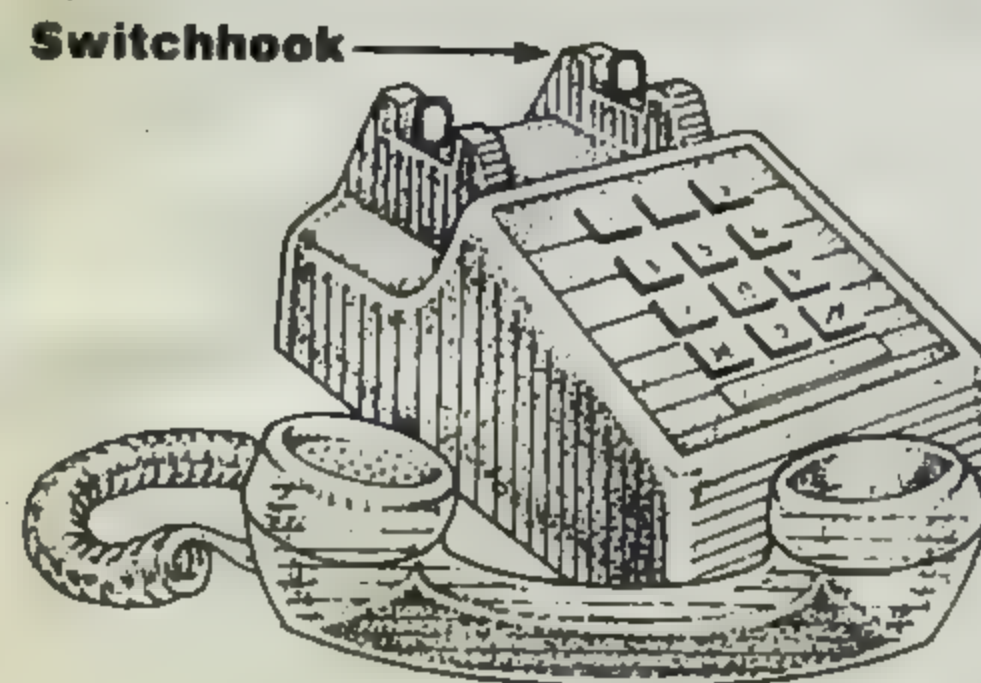

This service lets you add a third person to your conversation without Operator assistance.

Three-Way Calling can be used whether you have received or have placed the first call.

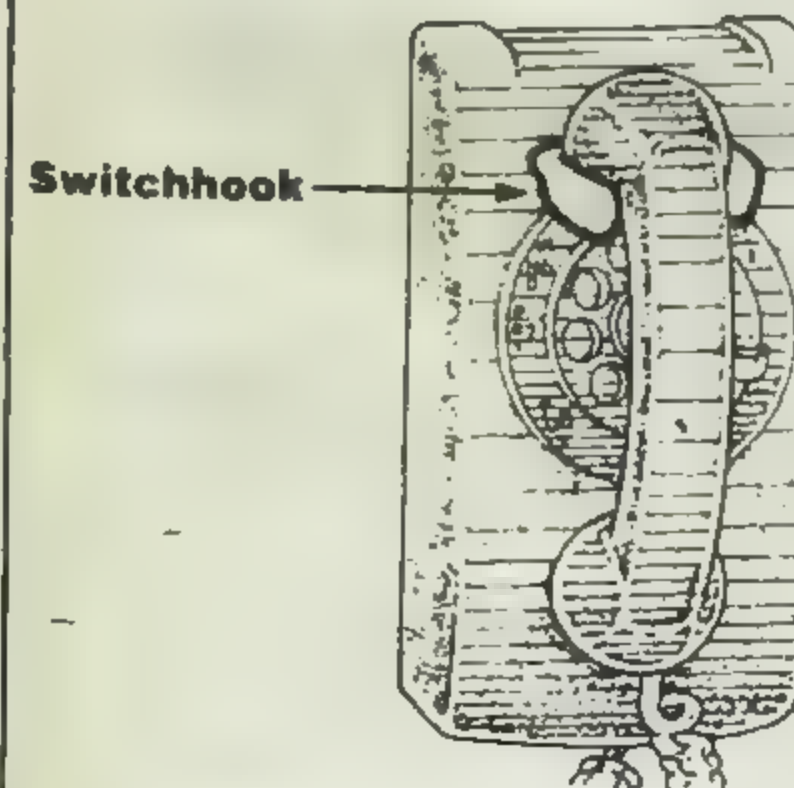

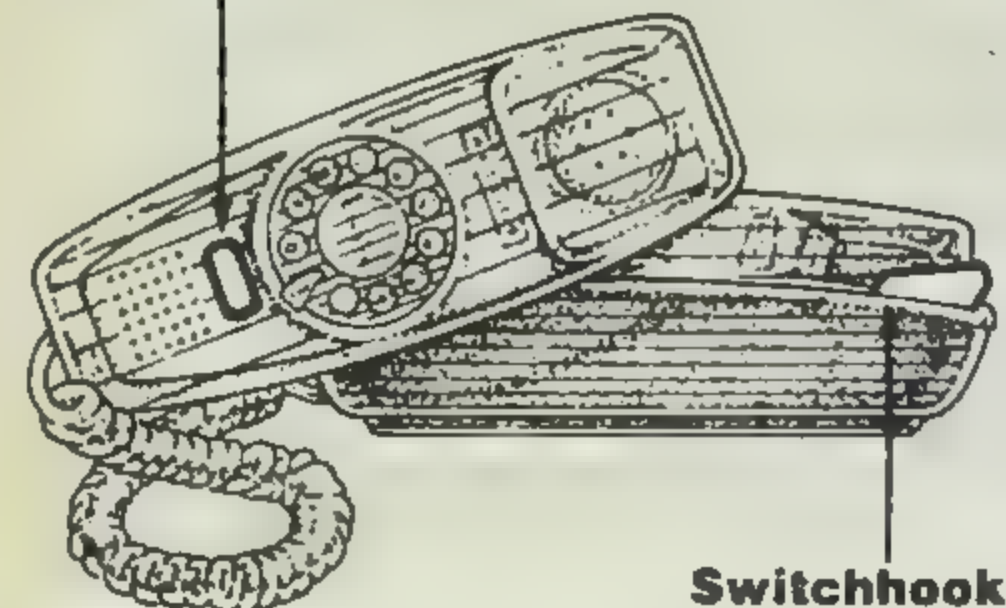

How to use:

1. Press and release the receiver button to put your call on "hold." You will hear three beeps then dial tone.
2. Dial the third person's number. You can talk before including the original caller.
3. To begin the three-way call, press and release the receiver button. All three parties will be on the line.

Receiver Button Locations

Recall Button

(If the line is busy or there's no answer, you can return to the original call by pressing and releasing the receiver button.)

Notes:

If the original party hangs up, you can add another party by repeating steps 1, 2 & 3.

To disconnect the third party, press the receiver button twice. Your line is then free to add a different third party by repeating steps 1, 2 & 3.

All parties are disconnected when you hang up.

Speed Calling

This service lets you call frequently called numbers by dialing only one or two digits. Speed Calling is available in either 8 or 30 number capacities. These numbers can be either local or long distance.

To enter or change a Speed Calling list of 8 or 30 numbers:

1. Select a one-digit code (numbers 2 through 9) for Speed Calling-8. Select a two-digit code (numbers 20 through 49) for Speed Calling-30.
2. Dial 74 for Speed Calling-8. Dial 75 for Speed Calling-30. Listen for dial tone.
3. Dial the code you have selected and the complete telephone number it will represent. Be sure to dial the number as you would normally place the call including the Area Code if it's different from your own. Two beeps will confirm your entry.

4. To call numbers selected for Speed Calling, simply dial the one- or two-digit code you have selected. If you have Touch-Tone dialing press the "#■" button to save additional time.

Note:

You have to keep a current list of your Speed Calling numbers.

23

Schedule and plan your calls
Try to set a specific time when your party will be there to receive your long distance call. That way, you can always call station-to-station and save.

Dial direct and save
It costs less when you dial South Central Bell long distance calls yourself.

Collect, Calling Card, and Public phone calls require the services of an Operator. So do requests for time-and-charges and calls billed to a third number. Calling person-to-person always costs the most.

Use a South Central Bell Calling Card when you are away from home
Next to dialing direct, a Calling Card is the most economical way to make a long distance call. You can get a Calling Card at no charge by calling your Service Representative.

Ask for coin phone refund
If one of our coin phones collects your money but you don't talk to anyone, report it by dialing toll free, 1 + 800 + 555-2323 from another phone. We'll either credit your telephone bill or mail you a refund.

Call during bargain times
Rates on South Central Bell's direct-dialed long distance calls are lower during evening, night and weekend hours. Also take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day.

Ask for credit for wrong numbers
When you dial long distance and reach a wrong number, hang up and dial "0" (Operator) right away. Explain what happened so the Operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

If you are billed for a long distance call that you did not make, call your Service Representative.

Two-party service
If you're on a limited budget, you may wish to order less expensive two-party service.

Look in the book
You can avoid Directory Assistance charges by looking up your own numbers in the directory.

COVER STORY

Kentucky's 13 remaining covered bridges continue to enchant all who view them. The silvery patina of the weathered wood spanning a sun-dappled creek calls to mind a time when lives were lived at a more leisurely pace. Yet, these bridges are monuments to the ingenuity of our forebearers and reminders of the abundance of Kentucky's timber and water resources. All of these elements combine to form a pleasing paradox of useful beauty and calm activity.

Kentucky is a diverse state with something to please the tastes of even the most world weary traveler. For the past 108 years Churchill Downs in Louisville has been hosting the finest 3-year-old thoroughbreds in the world for the annual running of the Kentucky Derby. Termed the "most exciting two-minutes in sports" the Derby caps off a weeklong festival featuring a steamboat race, the Pegasus Parade, a balloon race, a 10,000 meter marathon and a host of other events.

Visitors to the Commonwealth are awed by Kentucky's natural beauty. Outdoor enthusiasts can canoe through Cypress stands or raging rivers, camp in the wilds of the Land between the Lakes, and hike to virgin timber stands and scenic gorges in the Appalachians. Kentucky has more miles of inland waterways than any other state, except Alaska, and water sports abound: fishing, skiing, sailing and white water are only a few of the recreational oppor-

tunities Kentucky offers. The state park system's 15 resort parks make it easy to enjoy the best of Kentucky's outdoors by combining the amenities of resort hotels with beautiful scenic locations.

Natural attractions of special interest to all include: Mammoth Cave, the moonbow at Cumberland Falls, Red River Gorge, the Big South Fork, Land Between the Lakes, and the confluence of the Ohio and Mississippi Rivers.

Rich in heritage and tradition, Kentucky holds great store for history buffs. Wonderful southern mansions such as White Hall, Ashland, Federal Hill (My Old Kentucky Home), Liberty Hall and Locust Grove and the families that lived in these homes tell the story of Kentucky's past. Religious communities such as Shaker Village at Pleasant Hill played a large part in settling this wilderness. The restoration movement is going strong and Kentucky communities are dressing up to meet the future.

OH! KENTUCKY You'll come to love it. Visit us soon. For more information about Kentucky State Parks, or for any other tourist information, phone toll free: In any location in Kentucky dial, 1-800-372-2961, and in much of the eastern half of the United States, in an area ranging as far north as Minnesota, as far south as Florida, west to Texas and east to New Hampshire, you can dial toll free, 1-800-626-800. Or write TRAVEL, Frankfort, Kentucky 40601.

How to be a better buyer

Millions of people "Let Their Fingers Do The Walking" and shop the Yellow Pages. They find the Yellow Pages an easy, convenient source of telephone numbers and buying information.

As publishers of the Yellow Pages, we want you to be satisfied with our "Buyer's Guide" and to use it frequently. And we know that the best way to do this is to keep your confidence in our directories. We are proud of our record. Misleading or unethical advertising is not condoned. When it is discovered, it is quickly removed.

For the best values in all your buying remember these good shopping tips:

Price

Service provided after a sale may affect the selling price. Ask if the selling price includes delivery, installation and service charges. Also ask about returns and refunds, or replacements.

Estimates and receipts

On major purchases, obtain estimates from more than one company. Receipts should be obtained for all payments. Get a receipt for appliances taken from your home or left for repairs.

Services and repair

Check the cost of service calls. Ask for an estimate of the total cost of repair, then get an itemized bill before paying.

Contracts and credit details

Read all contracts...before you sign them. Learn the interest rate, and the amount and interval of payments. Be sure to get a copy of everything you sign.

Guarantees

All guarantees and warranties should be in writing. Find out who is responsible for carrying out the terms of the guarantee. If there is a registration card, be sure to send it in.

To find things quickly, easily in these Yellow Pages:

For a product or service

Yellow Pages headings are listed alphabetically. Just flip the pages and you'll find names, addresses and phone numbers of business people ready to serve you.

Forgotten the name?

Remember only the address?

Turn to the heading best describing the firm's type of business. A glance down the list may help you remember that name. Or discover the address that'll give you both name and phone number.

For a particular brand

First, turn to the heading best describing the product or service you want. Then look for the trademark or trade name you want.

To save trips or for quick emergency service

Calling ahead lets you know if they have what you want. And many firms listed offer deliver, pick-up, personal shoppers, mail, parcel post or express service. You can also find all sorts of emergency headings from Physicians to Electricians.

**Get
something
new,
something
discounted
and something
free...
in next year's
directory**

**Great new ways to get together
with your customers.**

Ask a Yellow Pages representative about new,
discounted and free items available in the
next issue of your telephone directory.

YELLOW PAGES
(Classified Telephone Directory)
McLEAN COUNTY, KY.

BellSouth Advertising & Publishing Corporation

BellSouth Advertising & Publishing Corporation ("BAPCO") has entered into an agreement with South Central Bell Telephone Company (the "Telephone Company") pursuant to which the Telephone Company has granted to BAPCO the exclusive right to publish classified telephone directories for all telephone exchanges in which the Telephone Company provides communication services in the state of Kentucky. The Yellow Pages are published for the benefit and convenience of the Telephone Company subscribers. Each business subscriber is listed under one directory heading without charge. Neither BAPCO nor the Telephone Company assumes any responsibility or liability for errors or omissions occurring in the Yellow Pages. Errors or omissions will be corrected in a subsequent issue, if reported by letter to BAPCO.

Included in the Yellow Pages are business or professional subscribers of the Telephone Company who have been listed under one or more directory headings for purposes of identifying the nature of their business or profession. Certain of these businesses or professions are subject to regulation by various governmental authorities which require special approvals or the issuing of a license to do business. Questions relating to whether a subscriber advertising in the Yellow Pages is duly authorized or licensed should be directed to the governmental authority responsible for regulating such a business or profession.

Corrected Through OCTOBER 2, 1984

Many brand name manufacturers
have CO-OP funds available for
local Yellow Pages ads.

Put them to work for you.

Ask your South Central Bell Yellow
Pages Representative.

**South Central Bell has
three words to answer your
communications needs.**

CALL ON US.

**And one hundred
years of experience
to back them up.**

No one is better equipped to help you
understand the changing communications
world of today and tomorrow. To turn advanced
technology into services to make your life — and your
business — easier. To speak your language.
To bring you the best.

Three words sum it up. Call on us.
